To Whom It May Concern:

Cherie Adams gave a vocal and speaking performance at the 2003 Joy of Christ Celebration, a week-long non-denominational Christ-centered community Christmas event and series of concerts. During the performance, she combined inspirational songs with her amazing testimony and message of encouragement.

I was quite impressed by Cherie's performance, as well as her love for the Lord. After sharing her testimony, Cherie met with members of the audience to meet and encourage them individually while signing autographs. She was very flexible and courteous during her visit, and was clearly focused on her objective of pointing people to Christ.

Overall, Cherie is a dynamic and inspirational performer. I certainly believe that she has what it takes to win souls for the Lord. I strongly recommend Cherie for any speaking or singing events designed to inspire and lead people to Christ.

Sincerely,

Paul L. Browning
President
