

## CHERIE ADAMS – USELESS TRIVIA

**HEIGHT:** 5'3"

**BIRTHPLACE:** Providence, Rhode Island

**NICKNAMES:** I'll get back to you on that one.

**FAMILY:** Kevin (husband), Ron and Cheryl Paliotta (Mom and Dad), Cathy Paliotta (sister), Lori and Ron Termale, (sister and brother-in-law), Michael, Daniel, and Carissa Termale, (nephews and niece)

**PETS:** Gelato (1/2 Bichon, 1/2 Human whose mission in life is to absolutely drive me nuts- but besides from Kevin, he's my best friend!)

**GLASS HALF-EMPTY OR HALF-FULL?** Kevin says half full every day, my glass tips back and forth depending on the day!

**MOST FAMOUS PERSON YOU'VE MET:** Dolly Parton

**APPENDIX OR TONSILS REMOVED?** NO, but they did take out 4 impacted, cystic wisdom teeth that made my face swell up like a Cabbage Patch doll for 3 weeks!

**MINISTRY PARTNER:** Volunteer for Youth Life Center, Nashville, TN- an inner-city outreach for underprivileged children, focusing on after-school academics and Christian based enrichment programs, U-turn for Christ, Heartbound Prison Ministry.

**MISSION TRIPS:** Africa, El Salvador, Costa Rica, and Brazil

**DREAM CAR:** A candy-apple red Ferrari- of course!!!

**MOST ANNOYING HABIT:** I don't know if its annoying, but it sure is disgusting! Anyone who has ever lived with me or traveled with me can attest that I "gag" every morning! Post-nasal drip is the worst!!!

**ON YOUR CD PLAYER RIGHT NOW:** Ray Charles and Ella Fitzgerald. Love them!!!

**CURRENTLY READING:** Quest for Freedom by Corina Pataki. This is a friend of mine who is an author and speaker, you can get an autographed copy directly from her on the links page of my website, [www.cherieadams.com](http://www.cherieadams.com). This book is such an incredible story of God's faithfulness!

**WHAT WOULD PEOPLE BE SURPRISED TO KNOW:** People are always shocked to find out that I'm actually very shy! Yes, I can sing in front of 50,000 like it's nothing but put me in a room with 10 people and I break out in hives!!!

**WHAT ARE YOUR GOALS FOR THE FUTURE?** I just want to sing and minister to broken, hurting people. I want my music to do more than just entertain people, I want it to really reach the core of the most non-reachable person. I want to make a difference in the lives of every single person I meet. I want to bless my family, because they mean everything to me. That's about it!
