To Whom It May Concern:

In writing this letter of referral regarding enlisting Cherie Adams to perform at your event, I submit to you the following.

It is obvious to us that Cherie Adams is a "woman of God" first, before she is a "singer/songwriter". That being said, it is apparent that it is the mix of these qualities that makes her the masterful talent she truly exemplifies. When Cherie sings, one can tell that it is "unto the Lord", and not a mere presentation for entertainment's sake. Having known Cherie for over 20 years, we have seen her grow from a young Christian girl whom lit up the room when she sang church songs, to a mature, Godly woman whom sings everything with felt passion. Cherie has stayed faithful and humble to Christ, in the ebbs and flows of life, and even in the tests of "success" when she could have put it in cruise control. She has proven herself to be a persistent and determined seeker of God in worship and song, not desirous to plateau, but to advance as she advances others, in their heart connection through her gift of song.

We believe in Cherie, and have seen first hand as she belts out a song, and puts testimony along with it, she is one who is able to connect to every generation, both young and old. You will be blessed to have her do a concert at your church, worship event, or any venue that would need an upstanding young woman to impact people's lives. It is apparent that she loves what she does, singing that lights up people's lives.

Sincerely,

Pastors Stephen and Nancy Boyce
