A Ministry Of Restoration

February 28, 2006

Fellow Saints and Ministers of the Brokenhearted:

Let me introduce myself. My name is Dottie Pawlicki and I'm the Director of a Women's Christian discipleship ministry called U-Turn for Christ in Greeneville, Tennessee. The "ranch" ministers to women with a multitude of sin issues from drugs, alcohol, eating disorders, to coveting. Cherie Adams testimony, with the interweaving of her gift of music/voice was a life changing experience for many women on the ranch. She has the ability to relate to the young women, but also to the older women who at one time or another have felt separated from God.

I'm here to let you know that Cherie will bring smiles to your face, tears to your eyes, cause you to search your heart and will bring your relationship with Christ to higher level. Cherie spoke at the Women's Ranch in a home fellowship atmosphere and then the next day spoke and performed to the entire church. She was able to use both arenas powerfully for the Lord. If you need an upbeat, powerful testimony for men and women alike I highly recommend Cherie to you. Don't miss this opportunity to have her minister to either a small or large group. You will be blessed.

God Bless

Dottie Pawlicki
